

Starfish Retrospective

How to use it

- 1 Assign a sticky color to each person participating in the session and define who is going to moderate the session.
- 2 As moderator, set a timer for 3 minutes and ask your team to add the stickies on the Keep Doing section.
- 3 Set a new timer for 8 minutes and give everyone the chance to explain the content of the stickies. If there are too many stickies to discuss, start this phase with a voting session to choose the more relevant issues.
- 4 Repeat the process for the other sections: More Of, Less Of, Start Doing, Stop Doing
